

Northern Ireland Civil Service Athletics Club

Membership Application / Renewal 2020

Background

The NICS Athletics Club (NICS AC) has been set up to promote athletics in the NICS, in particular road and cross country running and track and field. It is registered with Athletics NI (ANI) the governing body for athletics in Northern Ireland. NICS AC is a 'closed' club affiliated to the NI Civil Service Sports Association (NICSSA), which means that membership of the club is only open to:-

a. **public servants or ex-public servants** who are also members of the NICSSA, such members will be known as **Full Members**; and

b. the spouse, partner, family member or friend of a **Full member** who is a Junior, Student, Joint or Joint Senior member of NICSSA and is sponsored by a Full member. Such members will be known as **Associate members**. In the case of Joint and Joint Senior categories the Associate member will partner their sponsoring Full member for Joint NICSSA membership.

Membership Fees

The annual membership fee is **£10 or (£22 if you wish to be registered with Athletics NI)**.

Associate members must pay the same fee in their first year with the club (Juniors aged 16 pay the full fee, Juniors aged 13-15 years pay **£15** to be registered, under 13 can be registered free).

Becoming a registered athlete with Athletics NI entitles you to a discount on Athletics NI recognised race entry fees. Both prospective and existing club members should complete the appropriate attached Application / Renewal Form. Completing the form is essential to allow an accurate record to be kept of fees paid and to keep member details up-to-date. Preferably membership forms and cheques (made out to NICS Athletics Club) should be sent to the **Secretary** by Civil Service courier or, where necessary, by Royal Mail. Alternatively, membership forms and payment (cheque or cash) can be handed to a member of the committee. *Note that committee members cannot accept membership fees unless accompanied by a completed membership form.*

Associate Member Fees.
